ABOUT ME

Aspiring Full Stack Web Developer with hands-on experience in HTML, CSS, JavaScript, and responsive web design, currently pursuing a Diploma in Computer Engineering. Strong interest in building clean, user-focused web applications by combining logical problem-solving with modern UI practices. Actively learning new technologies and improving skills through practical projects with a goal of becoming a Software Engineer.

EDUCATION

2025 - Current
Gramin Technical and Management Campus

Diploma in Computer Science and Engineering
Building a strong foundation in programming, web technologies, and computer fundamentals through practical and project-based learning.

2024 - 2025
Sandeepani public school

Secondary School Certificate
Achieved 94%, demonstrating strong academic performance and a solid foundation in core subjects.

PROJECT

Personal Portfolio
Designed and developed a fully responsive personal portfolio website using HTML, CSS, and JavaScript.
Showcases projects, skills, and profile with a clean UI optimized for all screen sizes and devices.
